Acts 9: 32-42

In those days, when Peter was making numerous journeys, he went – among other places – to God's holy people living in Lydda. There he found a man name Aeneas, a paralytic who had been bedridden for eight years. Peter said to him, "Aeneas, Jesus Christ cures you! Get up and make your bed." The man got up at once. All the inhabitants of Lydda and Sharon, upon seeing him, were converted to the Lord.

Now in Joppa there was a certain woman convert named Tabitha, (In Greek Dorcas, meaning a gazelle). Her life was marked by constant good deeds and acts of charity. At about that time she fell ill and died. They washed her body and laid it out in an upstairs room. Since Lydda was near Joppa, the Disciples who had heard that Peter was there sent two men to him with the urgent request, "Please come over to us without delay." Peter set out with them as they asked. Upon his arrival they took him upstairs to the room. All the widows came to him in tears and showed him the various garments Dorcas had made when she was still with them. Peter first made everyone go outside; then he knelt down and prayed. Turning to the dead body, he said, "Tabitha, stand up." She opened her eyes, then looked at Peter and sat up. The gave her his hand and helped her to her feet. The next thing he did was to call in those who were believers and the widows to show them all that she was alive. This became known all over Joppa, and because of it, many came to believe in the Lord.
